Monday, August 14th, is hog day.

108 in the shade Thursday is some hot.

Don't forget to attend Alva Billing's sale next Tuesday.

Photographer Bean was down from Oakley the first of the week attending to business matters.

For sale or trade—1 model T 1915 Ford touring car. Inquire at Wa-Keeney garage.—Adv 23 tf

John H. Dienes returned Tuesday to Ft Collins, Colo., after a brief business visit in Trego county.

G. W. Glass of Oklahoma, pulled his threshing outfit to the J. L. Markel neighborhood the first of the week.

Dick Owens, mayor of Voda, finished threshing his wheat last week. His crop amounted to (only) 12,000 bushels.

Chas. Davis, are of Collyer township's pioneer citizens, is reported very ill at the home of Emery Cass on the Saline river.

Thomas M. Martin of Seattle, Wash., arrived in the city the first of the week and went to Ogallah to look over his property there.

Mr. and Mr. Calvin Keyser and children and Grandma Haffner and Mrs. J. F. Markel spent last Sunday the guests of Mr. and Mrs. Truesdale of south Graham county.

Mr. and Mrs. A. J. McCollum entertained the McCall and Sellens families Tuesday at a dinner party. Wednesday the McCollum family was entertained at the McCall home.

A. J. McCollum has spent several hundred dollars recently for repairs to his home for cement walks, painting, chicken house, etc. Mr. McCollum has one of the nicest cottage homes in the city.

Atty. L. B. Beardsley, of Russell, was in town on business last Tuesday. He reported a good rain in Russell county last Monday night.

An unusual situation obtains in Trego county is that both plaintiff and defendant in case lately filed in district court have died. It is not unusual for some party connected with a case to die, but for both to die is rare.—Judge Ruppenthal in Luray Herald.

From the odoriferous breaths running around on Main street this week, it looks as though there were a number who have been trying hard to put the breweries out of business. Unfortunately they are not all transients.—Colby Tribune. [This editor has a great big nose for news.]

The returns from Tuesday's election show a light vote. Benson received the highest vote cast; Peacock received more votes than Acre and Hunt combined; Allman carried seven precincts out of ten but DeBoer won; Rea won out for state senator and Benton won by a large majority over Anderson for congress.

A young man by the name of Leonard forged some checks on J. L. Best and the Trego Merc. Co., last week. He was arrested and placed in jail, and was tried before Justice Acre last Friday, and waived preliminary examination. The justice bound him over to the district court and fixed bail at \$2,500. Some bond for a forgery less than \$100.

Stratford, Texas, August 2, 1916. Brother Givler: I will write a few lines. We have had some bad luck lately—we lost our house in town by fire while only the girls were at home—so we lost all our household goods, books, pictures and many precious little mementos that we had gathered up for more than forty years. We had no insurance as we had expected to move out of the house this week. Our wheat crop was a total failure, and it is very dry here now so our feed crop will be light. Lou is at Plains, Kan., now where he worked in harvest. We are all well and hope some of the whole World family. Respectfully, H. B. Flyer.

For Sale—Library table and side board, both oak and in splendid condition. Inquire at this office for particulars.—Adv 18

The average person in summing up his life's experiences regrets the most the unkind words spoken in haste or without due consideration. When one tries to see the other fellow's view point of questions he is usually more charitable in his judgment of others and much less liable to misjudge his fellowmen—at least he will not lose his head when judging his neighbors.—Ex.

Here is one that is going the rounds of late: A wagon maker who had been dumb for years picked up a hub and spoke. Yes, and a blind carpenter on the same day reached out a plane and saw, and a deaf farmer went out with a dog and heard, and a noseless fisherman caught a barrel of pike and smelt, and a forty ton elephant inserted its trunk in a grate and flew; yes and a dog walks off with its coat and pants, and just last night we noticed the bed bug listening to the bed tick.

### Road Notice

State of Kansas, Trego county, ss: To whom it may concern:

Take notice that a legal petition signed by E. W. Allman and other householders of Riverside township, in said county, has been presented to the board of county commissioners, praying for the location of a section line road, as follows, viz: Beginning at the northwest corner of section 36, township 14, range 22; thence north on section line to township 14, range 22, and there terminating; said road to be 40 feet wide.

And that said board has appointed A. H. Hamon, S. A. Newcomer and John McNaughton viewers, who will meet at the point of beginning of said road, as petitioned for, on the 28th day of August, 1916, and proceed to view said road, as the law directs, at which time and place all persons interested may attend and have a hearing. AVOID MISTAKES

No Need to Experiment With Wa-Keeney Evidence at Hand.

There are many well-advertised kidney remedies on the market today, but none so well-recommended—none so WaKeeney recommended as Doan's Kidney Pills.

Read this WaKeeney case: S. C. Hefner, WaKeeney, says: "I recommend Doan's Kidney Pills because I know they are good. I have taken them when bothered by backache and they have always helped me. Doan's Kidney Pills are a good medicine to use when the kidney secretions pass too frequently, or for pains across the kidney's."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hefner had. Foster-Milburn Co., Props., Buffalo, N. Y.

That trees and shrubbery cannot be successfully grown without water is overwhelming contradicted by the case of H. E. Tripp on his lots in WaKeeney, Kan. Although the lots have been in cultivation for less than ten years, yet H. E. has growing thereon fruit trees of every variety, shrubbery including wild raspberry, blackberry, strawberry and various other varieties, he has a fine grape arbor as one usually sees where such fruits are grown as a specialty. H. E. expects to put in city water another year.—Waldo Advocate.

Noble Knisly and wife of Manhattan have been the guests of C. D. Mayer and family. They accompanied by Mr. and Mrs. Mayer left Monday for a pleasure trip to Colorado.
